**To President Lloyd E. Worner,**

one whose friendliness, tolerance, scholarship and educational goals as student, teacher, and administrator present an image of true liberalism for his college and for our college; one "whose law is reason," and one who "depends upon that law as on the best of friends;" one who has the right instincts to discern his mission, and one who will be loyal to it with "a singleness of aim," we dedicate this 1964 NUGGET.

The quoted material is from William Wordsworth.

Lewis M. Knapp

The essence of Colorado College is a result of nine decades of labor by faculty, Trustees and some twenty-three student generations. Just as you, as members of the 1963-64 student body, are indebted to previous generations of students, so future students will be indebted to you for the accomplishments of your generation.

Colorado College must be disciplined by—but not fettered by—the past. New challenges inevitably bring new approaches and new responsibilities.

Tradition is indeed necessary to the forming of sound judgments. To help men and women to be capable of forming sound judgments is what liberal education is all about. To accomplish this primary goal we must not be unmindful of our heritage. Only, however, by dealing with the present and by planning for the future can we truly earn our heritage, as each generation must.

To the Class of 1964, good luck. To the Classes of 1965, 1966, and 1967, I look forward to continued work with you in and for Colorado College.

Lloyd E. Worner  
President

Coburn (1894) and Perkins Hall (1901)

Student Health Center (1964)

Ten years ago Colorado College was known as a “sleepy little college in a rich little city”; but there have been “changes in the wind”, and we woke up. Ten years ago there was no Sports Complex, no Olin, no Tutt, no Rastall, no Loomis and no Slocum. In the midst of such dynamics, there is little of what might be classified as traditional. Don Oden said it; “a tradition at Colorado College is formed in one year”, and to this we would add, “and often lasts just about that long”. We do not look much to how things have been done, but rather to how they *can* be done. The only constant at Colorado College is constant change. Our tradition is progress.

All paths of the Colorado College community cross in Rastall Center. It is that place where the widest range of activities on campus unfolds in hours of both day and night. The Rastall Center Board draws the best from its student leaders in providing a focal point of cultural, social and educational expression. They, in turn, enlist the help of all kinds of students, faculty, and staff to guarantee reaching the individual, the small group and the community as a whole with worthwhile programs and services.

It is no wonder that all paths of the Colorado College Community cross in Rastall Center and as the sound of footsteps increases, so grows the responsibility and effort of the Rastall Center Board. D.O.

## Executive Board

Bill Pelz, Vice-Pres.; Harris Sherman, Pres.; Karen McIlvaine, Sec'y; Paul Carson, Treas.

A lively discussion about a lively Freshman Orientation commenced this year's duties of the ASCC Executive Council. Debate continued in such areas as the Student Handbook, the Tiger and integration, and the desirability of a residential college. A decisive change in the ASCC's role has come with a more pronounced involvement in questions of academics, publications and social policies. Improvement has continued in the distribution of finances, clarification of the ASCC constitution, and a more complete coordination of social programs. Even traditionally crooked committees, such as the confiscatory Traffic Committee, have found new objectivity and responsibility. These changes and improvements indicate that the ASCC has finished a successful and complete year. H.S.

*SEATED:* Dr. Sondermann, Suzanne Armstrong, co-chrm., Christy Mickelwait, co-chrm.  
*STANDING:* Rich Nichols, John Levis, Terry Fonville.

## Forum Committee

The Forum Committee plans Tuesday morning assemblies designed to supplement classroom learning by sponsoring speakers and entertainers from various fields. Some of the year's highlights included lectures by Dr. E. R. Peterson, Dr. Roger Pilkington and Dr. Coort Rylaarsdam and a program of gospel music presented by Sister Valda Garner.

## Social Coordinating Committee

Discussions of campus social activities and ways to improve them provide the focus for the weekly meetings of the Social Coordinating Committee. This group also plans and publishes the school social calendar.

*SEATED:* Sarah Burnside, Chuck Cornell, Cindy Pate, Bill Thompson, Steve Weld, Rickie Robbins, Bill Pelz, Nancy Bills. *STANDING:* Andy Jovanovich, Sue Barker, Gregg Smith.

## Traffic Committee

"My battery went dead and I'm not about to pay a five dollar parking fine." (Quote Deb Smith.) Coping with this and similar problems is the main function of the Traffic Committee as it attempts to regulate traffic on the C. C. campus.

Bob James, Rick Lopez, Chrm., Mike Hetzel.

## Enthusiasm Committee

Maintaining "controlled exuberance" of overly-enthusiastic organizations is a prime concern of the Enthusiasm Committee. In other areas, this group attempts to promote school spirit by such means as sponsoring inexpensive transportation to athletic events.

## Judicial Board

The AWS, much like the ASCC, operates as the governing body of all women students living on campus. Besides the strictly governing type activities, the AWS, working through Judicial Board and Activities Board, acts as a sounding board for suggestions and refinements in the system of residence hall living. In addition, the Activities Board initiates and carries out various activities throughout the year, such as an annual party for children from the

Colorado Springs Spanish Mission, a breakfast honoring all head residents, and an annual Senior Women's Recognition dinner where outstanding women are recognized for their contributions to the college through scholarship, service and activities.

During the Spring Semester the AWS is responsible for choosing the girls who will serve the following year as presidents and counselors in the residence halls. J.E.T.

## DEBATE

Two sweepstakes trophies marked the beginning of the year for the C.C. Debate Squad, an encouraging start which proved to be prophetic. Additionally, the team is composed of many talented freshmen who will make Colorado College an inter-scholastic debating power for some years to come.

For the '63-'64 season the debate squad traveled to Nebraska, Oklahoma, New Mexico, Texas, Arizona, Wyoming, and Indiana to contest the topic "Resolved that the Federal Government Should Guarantee an Opportunity for Higher Education to Qualified High School Graduates." Besides requiring that each team debate both the affirmative and negative sides of the issue, most tournaments offered individual events ranging from original oration and oral interpretation of literature to extemporaneous speaking, challenges which allowed students to broaden their speaking abilities.

A welcome highlight for C.C. was the visit of the Cambridge University debaters while they were on tour in this country. Sue Caudill teamed up with Mike Howard of Cambridge to debate the affirmative side of the resolution "That Law and Justice Are Incompatible in a Capitalist Society" against Dave Helms and John Toulman of Cambridge. This turned out to be the most humorous contest in which Sue and Dave have had the "pleasure" of debating.

*SEATED:* Mr. Rudoff, Dave Helms, Jo Heller, Dave Bitters, Sue Caudill, Mr. Johnson. *STANDING:* Barb Keener, Arlene Kaplan, Bob Knight, Jody Komor, Linda Marshall, Judy Sundquist, Clark Cobridge.

## Honor Council

The academic honor system at CC is under the administration of the Honor Council, composed of 13 undergraduates nominated by the students and selected by the council. This body hears any case involving an honor violation and has the power to take appropriate disciplinary action.

## Student Conduct Committee

Student Conduct Committee is the principal disciplinary body of the Colorado College student government. It hears appeals from all students disciplinary bodies except the Honor Council.

*STANDING:* Dean Reid, Steve Fredrikson, Harris Sherman, Dr. Mertz. *SEATED:* Miss Moon, Miss Cauvel, Stephanie Row.

## Committee On Under Graduate Life

CUL is a representative campus group composed of faculty and administrative members and students. The committee meets about twice a month to consider problems of importance to Colorado College student life.

*STANDING:* Dr. Rudoff, Bill Mrachek, Karen McIlvaine, Ray Jones, Harris Sherman, Dr. Shearn, Mr. Adams, Don Oden, Mr. Barton. *SEATED:* Jean Torcom, Dr. Curran, Miss Moon, President Worner, Dean Reid, Dr. Hochman.

The General Council is the governing body of the Men's Residence Halls Association, an organization of men living in residence halls.

*SEATED:* George Moore, Mike Runnels, Tom Waugh, Dave Parrish, Louis Jaramillo, Dr. Rudoff, Chuck Larson, Jim Blackmer, Bill Raleigh. *STANDING:* Bill Campbell, John Chalik, Chris Faison, Ralph Dalla Betta.

Christmas Concert

# CHOIR

The Christmas Season got under way when the choir presented the complete performance of Handel's "Dettingen Te Deum." Even though there was an over abundance of sopranos, this was one of the highlights of the year for choral group. Other events included convocations, the Inauguration of the President, and Sunday services in Shove.

The Tour Choir made their first venture into the East during spring vacation.

# PUBLICATIONS

# Publications Board

Pub Board spent the year attempting to improve the whole lot of campus publications in one way or another and, at times, found it to be a rather successful venture. Of course, this depended as to the side on which a person stood on the issues involved. A controversial *Tiger* and *Student Handbook* kept things moving at a brisk pace for most of our time. Innovations in the *Kinnikinnik* provided needed changes in this publication while the everlasting simplicity and success of the *Nugget* offered no problems. For the second year *New Faces* acquainted all upperclassmen with the Freshmen in a very successful manner. As always continuous evaluations were undertaken in an attempt to improve and maintain the standards of both the Board and all publications.

*FIRST ROW:* Cathey Grant, Jerry Dorsey, Betsy Crockett, Ray Jones. *SECOND ROW:* Peter Bonavich, Ben Lyon, Chrm., Phil LeCuyer, Jim Heckman, Jim Welch. *NOT PICTURED:* Paul Carson, Linda Spickard, B. J. Young.

# Nugget

To those who have seen us in action, the thought that a yearbook could ever emerge from such apparent confusion must seem strange indeed. (And it is!) Yet, under Betsy's able leadership as editor and the ever critical eye of our "beloved" photographer, the Nugget staff has come up with a book which we think will equal past yearbooks in its portrayal of life on the C.C. campus.

The staff of the 1963-1964 Kinnikinnik is working to introduce some basic changes in the magazine. In addition to increasing the circulation from 1500 to 3500, we have widened the scope of the magazine's content to include material from the social sciences and natural sciences as well as from the humanities. The goal of this year's Kinnikinnik is to publish a magazine that reflects the ideal of a liberal arts education: quality through variety. P.L.C.

## Phi Beta Kappa

Phi Beta Kappa this year is celebrating its sixtieth year on the Colorado College campus. The members of Phi Beta Kappa must maintain a definite minimum scholastic average. Its members are selected from a certain percentage of the graduating class who maintained this average; and in addition two members from the junior class are selected.

## Alpha Lambda Delta

Alpha Lambda Delta is the national honorary sorority for freshman women. These girls are active only during their freshman and sophomore years. The purpose of this organization is to promote a high standard of living and study, to provide a tutoring service for the school, and to post lists of cultural activities on the campus.

## Cap And Gown

White jackets and black dresses are the attire of the ladies of Cap and Gown, the senior women's honorary. Their purpose is to serve the college community. This year the main project was the opening of a job bureau for women. Members are chosen on the basis of leadership, service and scholarship. The annual AWS Dinner is the time each spring when the new members are tapped.

## Inter-Fraternity Council

The Inter-fraternity Council, consisting of the five fraternity presidents and representatives, involved themselves in the task of dealing with the second year of deferred rush at Colorado College. Responsibilities on our part were directed not only in legislating the workings of the rushing system, but also to the actual enforcement and judicial actions needed to insure a successful rush program.

With any relatively new system comes an almost complete change of pace and it ushers in a vast amount of avenues before unseen. We have dealt as best we could with these new circumstances and feel a firm basis is present to insure further success.

The system has proved to be a most realistic one, particularly well-suited to this college. It was shown that the element of deferring rush one semester gave equal opportunities to freshmen and the fraternity men alike for a closer and more meaningful appraisal before any actual membership decisions. ## Alpha Phi

Once upon a time in the far distant land of Never-Never, there lived at the foot of the Rockies a House . . . full of girls, that is. They were infamously and affectionately known as the Alpha Phis. They started the year early in September by welcoming their new fairy godmother, Mom Lewis. Soon they were into the swing of things and helped the other inhabitants of the forest celebrate the festivities of Greek Weekend. The Phis didn't exactly sweep the events, but they did later manage to cop the WAA trophy. Afterwards "Straight from Broadway," came witches and bunnies to the costume dance. Then there was Homecoming . . . The A. Phis and their Nicotine Charlie managed not to win for the consecutive season. But they did survive and were soon gladdened by the acquisition of

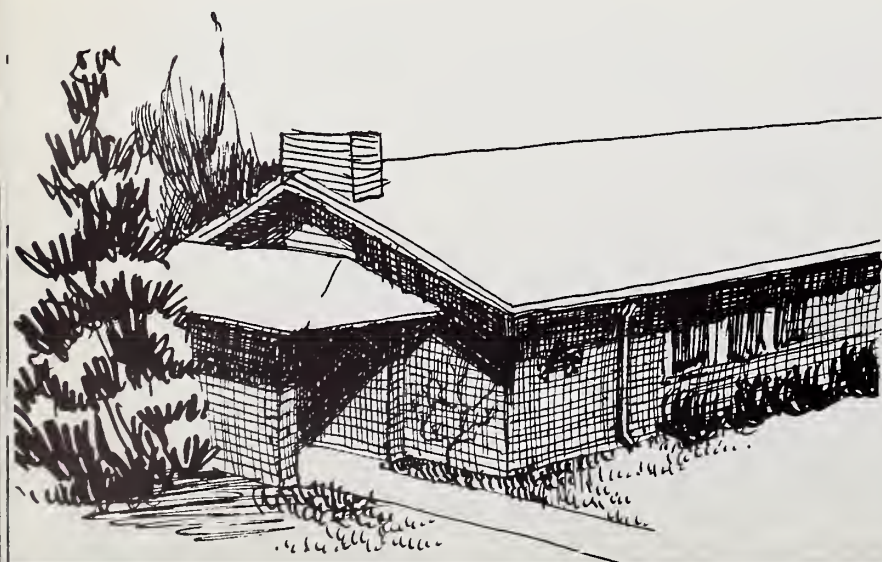

Student Director of the Variety Show in the form of D. S. Jones. Finally as a last fling before the closing doors of finals, the girls of Gamma Theta indulged in a bit of revelry at the annual formal.

January and the beginning of a new year. Phi Phi's Place was the scene of much fun and frolic. Bathtub gin overflowed and gambling tables were kept busy. But alas, the place was raided and left to be cleaned up by the new pledges. More good news . . . we've come up scholastically!

As the year progressed, so did the A. Phis. Cathey Grant served as President of McGregor Hall, and Junior Phi Beta Kappa, and Mary Gray Sharp and Jan Okamura as freshman counselors. Susie Halton served as President of Panhellenic and Donna Story was President of Wakuta. The Nugget was ably edited by Betsy Crockett. Lynn Miller bounced and cheered the athletic audiences on.

Somewhere along the line, we managed to squeeze in a number of pinnings, desserts and a serenade as well as several well-executed sneaks. Our national philanthropy, cardiac aid, was given donations collected by the sisters on Heart Sunday and at an annual bridge benefit. And we attracted the following of an honest-to-goodness Girl Scout troop. It all goes to show how college helps produce a well-rounded person.

Thus, ended another chapter in the adventurous life of the A. Phis. The handsome prince came riding down on his white charger, slew the dragon and the Alpha Phis lived everafter . . . Happily.

## Beta Theta Pi

This past year has been one of achievement and outstanding success for the Betas. Making up for our winless football season of last year, the Betas, playing with the greatest handicap imaginable, Y. A. Bossart, were sparked on to victory - one game. Our Homecoming decorations unfortunately were banned by the WCTU and the ASPCA before the impartial judges could award us first place. Furthering one fabulous first, the Beta smarts team managed to cop the scholastic trophy and hid it.

The Beta Ministry of Love is proud to announce one marriage, one engagement, three and one-half pinnings and two and one-half lavalierings.

Our social season has been highlighted by several smashing beer busts, a ripping Toga Party, fun but expensive rush parties, a tea party with the DAR for the social edification of our pledges, as well as a South Sea Island Party, the Miami Triad, and a Spring formal of sorts.

Memories: Wooglin Collesium with motorcycle scrambles, and egg tossings; dining in Taylor; tubethons; rush (\$75); Ardella, Roberta; greener pastures - Spicer, Inteman, and Hayes.

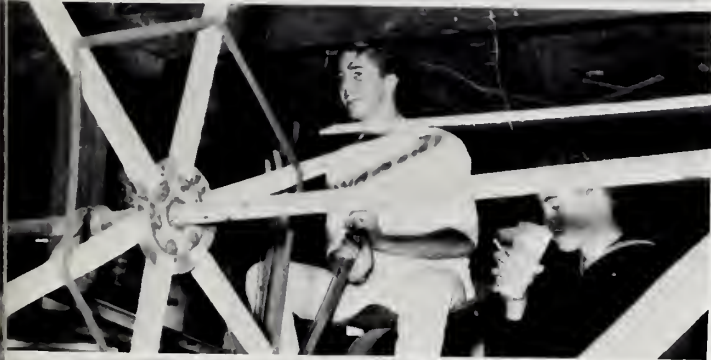

With one eye to the future, and the other on the girls, the Betas are looking forward to a rather pleasing and quiescent spring. With our noses to the grindstone, minds in the books, and hands in our pockets, we have witnessed another sensational year under the inspiring guidance of our leader, Winnie.

## Delta Gamma

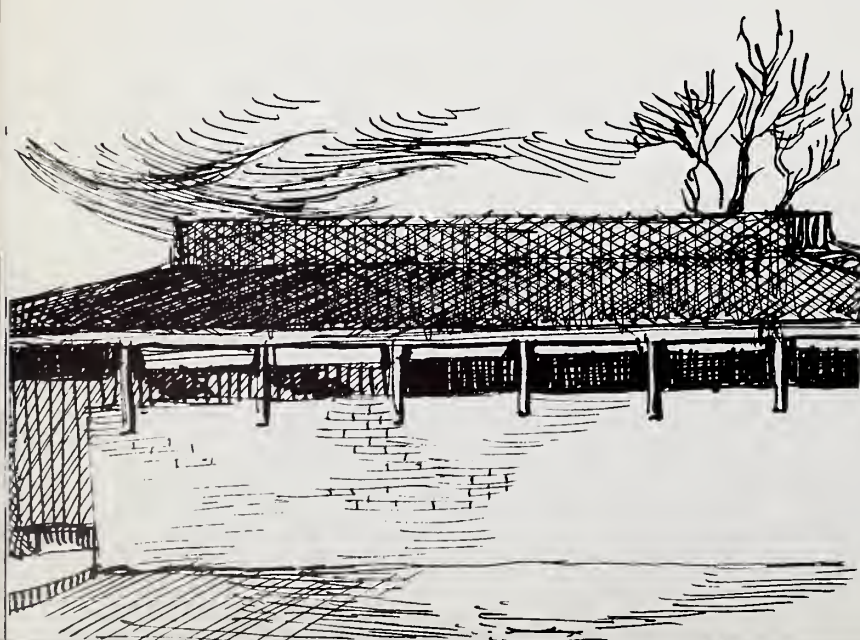

The D.G.'s started the year with a bang by snaring six new pledges in the fall as well as demonstrating their renown athletic talent by winning Greek Weekend with a dazzling display of skill in such formidable events as bicycle racing and pig chasing. They then proceeded to the festivities of Homecoming when, under the able leadership of Judy Dykes, they rallied to create the "Little Old Wine-maker" and his group who frothed and bubbled their way to a third place. A lovely Christmas formal ended the activities of that semester. The second semester got underway favorably as sixteen pledges entered the house and the

D.G.'s rocked the campus by finishing second in sorority scholarship with an unprecedented 3.009 average. Coasting into spring, they wound things up with their annual Spring Formal.

As a group D.G.'s devoted much of their time pursuing their national project . . . that of aiding the blind . . . by assisting a troop of Brownies for young blind girls and by giving a Valentine's Party for a group of blind children. They also won the second series of inter-sorority debates, a project which they helped to initiate the preceding year.

Individually, amazing Sue Caudill was joined by Judy Sundquist and Barb Keener on the debate team while the same Miss Caudill joined Marla Bullock on Honor Council. Marla and Nancy Parker were elected to Cap and Gown of which Nancy served as President. Ann Doremus served on Student Conduct Committee and Jo Heller was Social Chairman of AWS and treasurer of Rastall Center Board. Suzanne Armstrong was named chairman of the Assemblies Committee and, on the lighter side, Nina Dunbar and Judy Sessions served as cheerleaders.

In honor of Leap Year, the D. G.'s staged one of the greatest manhunts ever witnessed at Colorado College . . . very successfully for the most part as witnessed by the number of marriages, engagements and pinnings which occurred in the house. For those who didn't make this round . . . watch out, guys! We're still in the running!

## Kappa Sigma

Second semester proved the brilliance of this session as Kappa Sigs grouped in twos then threes, and slowly gained confidence. Cultural interests reached a new peak with the expansion of the Beatles fan club and a subscription to *Cavalier*. Death Durfee returned second semester to find his beautiful and charming girl ready and always willing. The highlight of the St. Valentine's Day Massacre Party was Steve Ailes' jovial attempt to recapture the flair and mood of days gone by with a rather extended burst of machine gun fire. . . 10 dead, 4 wounded. Kappa Sigma's answer to Lord Fauntleroy, Boogie Dean, was dealt a bitter blow by C.C.'s classy coeds when he received not one vote in the gallop for Winter Carnival King. Farrell "Chief" Howell, with the body of a Greek God (Venus de Milo) and the mind of a 13 year old (Lolita) was seen with a blonde (MWF) and a brunette (T-Th-S) and we can only guess as to what he did Sundays.

With 18 new disciples of depravity, the Kappa Sigs are assured of maintaining their lowly but unique position on the CC campus and are anticipating a socially successful if not completely disastrous 1965. If all goes well, as it has for five years, the Intramural Trophy will again wind its way to the K. Sig house. In closing, a reminder to the lovelies of the CC campus. . . don't call us, we'll call you.

With one eye on the Edson Trophy and the other on the administration, the Kappa Sig house "for wayward boys" spent a first semester of quiet meditation. Under the rational and fatherly guidance of "Pop" (Boys won't be boys) Benezet, the Kappa Sig's refrained from such childish actions as laughing, heavy breathing and meeting in groups of two or more. The results of this brilliantly designed therapeutic group behavior analysis were a higher grade average, three pinnings, one engagement and several marriages, proving once again that you can't keep a good man down, boys will be boys and bars do not a prison make.

## Gamma Phi Beta

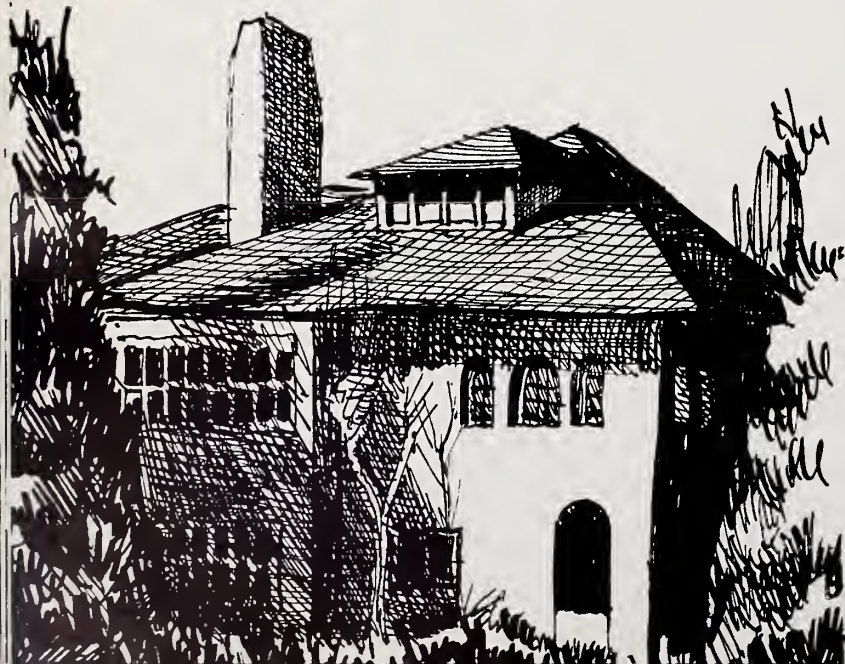

As the scintillating aroma of garlic and onions floated down from above, the Gamma Phis prepared for another busy year while Miss McNary and the Madrugas braced themselves for two more semesters of screams and laughter at 1120 Wood. (Seriously, they've put up with a lot this year and have been just great.) Excitement reached an early peak with fall rush and five new pledges. Then came the announcement of the third straight year of high scholarship. Inspired with a desire to do more and better things, we decided to get Colorado Springs lit (by offering each householder a chance to purchase lightbulbs). The mone-

tary profit earned from this dubious enterprise was enough for a down payment on a shovel to be used at the groundbreaking ceremonies of our new lodge.

Homecoming brought "Post-hole-digger" Wright and a premature groundbreaking, Charlie the Tuna, 750 square feet of ocean to be stuffed - and - the first place trophy for sorority house decorations! Tired and overworked from Homecoming, our seniors sneaked to the mountains for a weekend of relaxation and electrical power failures. No one followed, but they came back anyway (more tired than before).

Socially, candles and candy were in abundance as our seniors traded their waning enthusiasm for graduate school for diamond rings. (Our pledges accused us of 100% attendance at the "Aluminum U.", but several serenades proved them wrong.) We revealed our "Suppressed Desires" at an annual costume party with the Kappas, "snowbunnied" at the Antlers and enjoyed several picnics and desserts as well as the ice cream social for new professors and their families.

"Gaiety, song and dance"... Second semester has come, bringing with it our second childhood, kindergarten chairs and tables, Piglet and Winnie the Pooh. Our senility paid big dividends in the form of seventeen terrific additions to the ranks of Alpha Phi Chapter. We celebrated another semester of high scholarship as well as the election of our three Phi Beta Kappas. The annual favorite professors dinner, song fest and our spring formal rounded out another fun-packed year for the Gamma Phis.

## Phi Delta Theta

three Phi's on ASCC. Enthusiasm was high and despite a few early setbacks, Phi Delts managed to fulfill their early promise of active contributions to campus life. They also maintained a high scholastic average of 2.5.

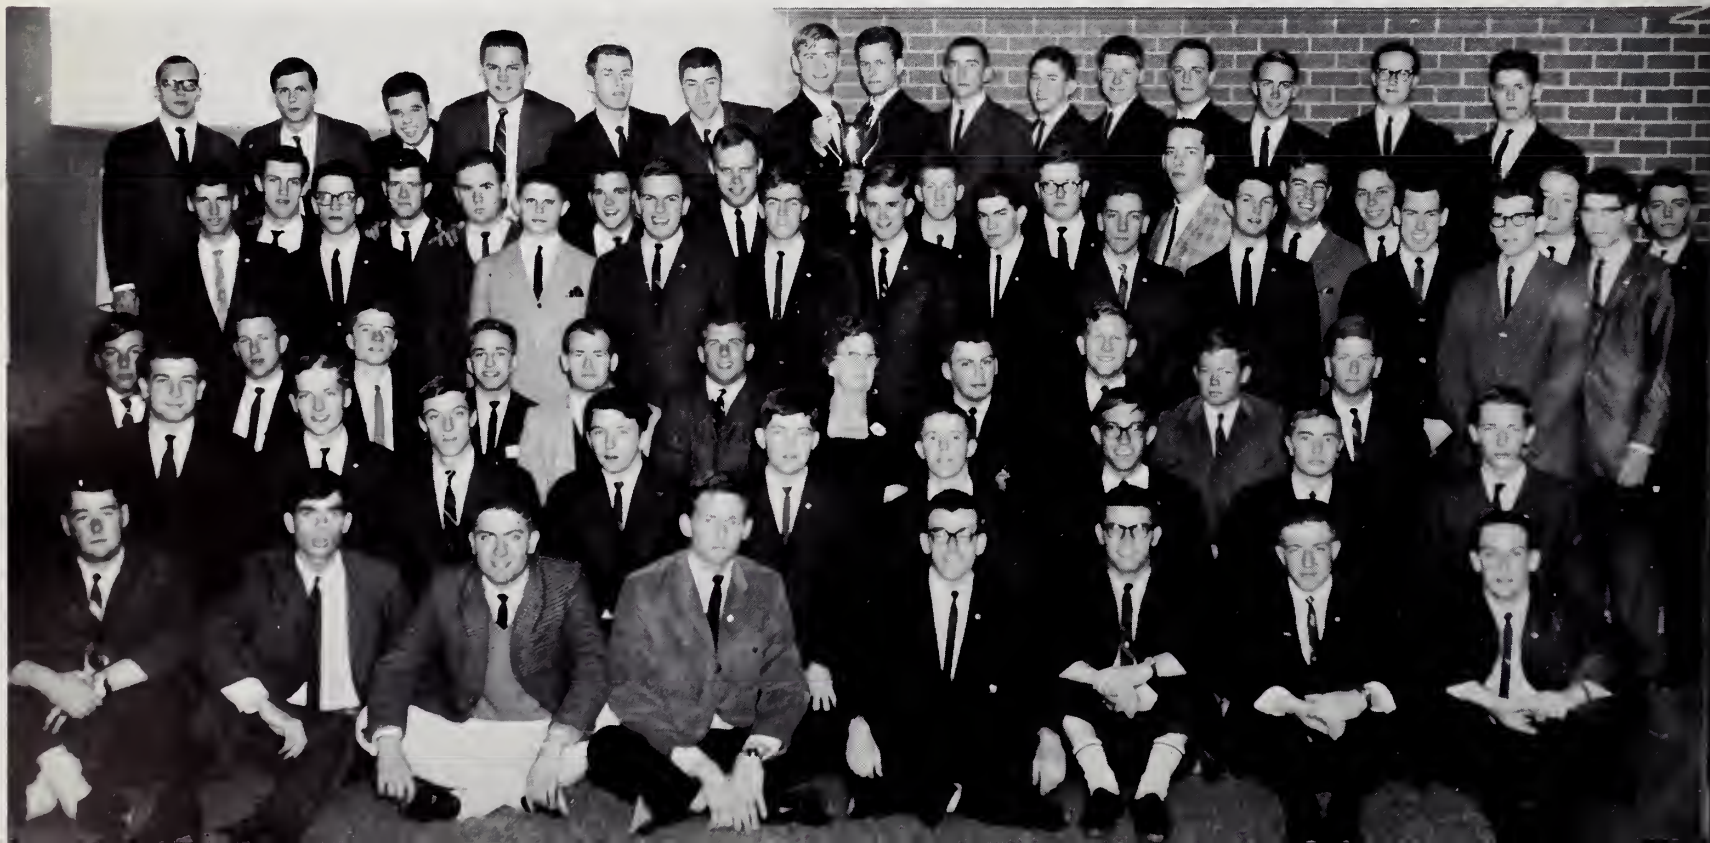

The Phi went on to smashing victories in football, cross country, Greek Games, hockey and basketball. Unconcerned with which team got smashed in intramurals, they managed to collect themselves for five or six evening discussions with guests from the faculty and visiting lecturers. Not neglecting adequate social development, the Phi Delts had numerous desserts, picnics and informal basement parties, as well as their major winter formal and pledge dance. In full support of all school social events, Phi led the Saturday Homecoming events.

Reinforced with a number one pledge class and under a second semester of the able leadership of Hugh Aqualung Frink, the Phi looked forward to a rewarding spring semester. Already planned were the spring formal, Ski Weekend, lectures and the community service project.

The Phi Delt year began optimistically with immediate onslaughts in their annual drive to make living a pleasure and to achieve in all areas as individuals and as a group. (The first area was Ute Pass on registration day.) Many individuals were active in diverse areas of campus activities. The house was well represented in varsity athletics, Blue Key, Honor Council, Advanced ROTC, Cap and Gown, Tiger Staff, IFC and Black and Gold. There were

## Kappa Alpha Theta

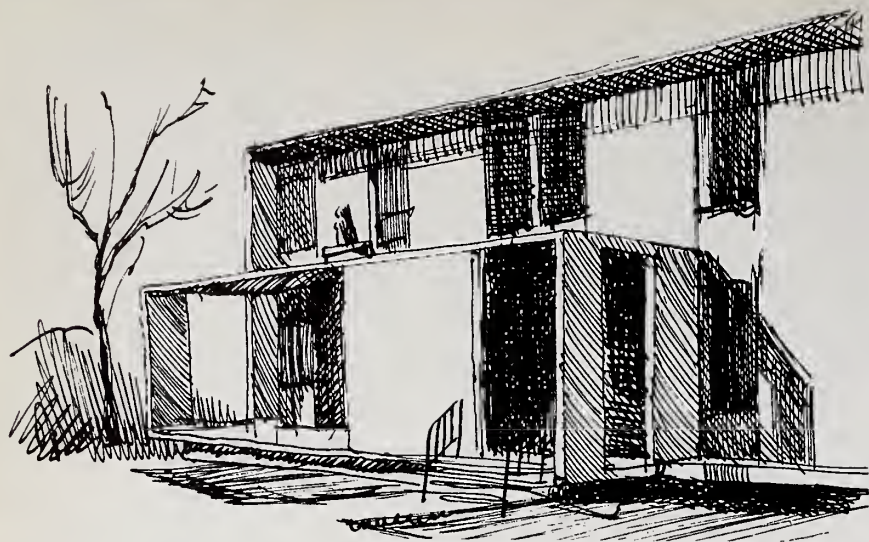

Hurrah!...five new pledges...we entered the new school year in fine style. Enthusiasm for a function...a costume dance with the D.G.'s at the Cliff House...screamed despite W.C.T.U. representation (in costume, of course). Greek Weekend was at its best this year...but Pettit still thinks she was first to capture the pig! Victory at last!...in preparation for Winter Carnival broomball we whumped in a one point win over the Sigma Chis by confusing their opposition (or rather with their assistance). We cut up again!...Halloween saw the Beta house covered with Pumpkin carvers and pranksters. Quiet reigns over the subject of Homecoming...the Theta carpenters turned in their tools for knitting needles. A Phi Gam orphan party, a Christmas formal with the D.G.'s and FINALS marked the end of first semester. A new start...a new semester. Hard work in rush rewarded us with nineteen effervescent pledges. We took inventory of our figures...asking Cathy Aurin and Royda Crossland to model for us at the Founder's Day Luncheon. The rest of the year holds in store such exciting activities as the Theta Man Dance, Winter Carnival and the Kite and Key Formal.

## Phi Gamma Delta

highpoint of the evening was reached when the Muller brothers and Greg Smith sang "Moon River" with the accompaniment of the band.

In inter-collegiate sports the Fijis placed brothers Carol, Ware, Welch and Muller on the football team; brothers Davis, Whitney and Prough on the soccer team; and Pete Susemihl and Bill Pelz on the basketball team. Lee Muller was named first team all-conference end.

The second semester was started with rush, through which the house obtained all 4.0 men. The house came through with a winning intramural hockey team, and placed more men on the hockey all-star team than any other house. A great deal of the hockey team's success was due to the fine play of Swiss exchange student Tom Althaus.

The Phi Gam.-Kappa Sig R.F., the first major function of the spring, was once again a rousing party. The traditional Fiji Island party, at which the spring's climax was reached, saw many colorful happenings and costumes.

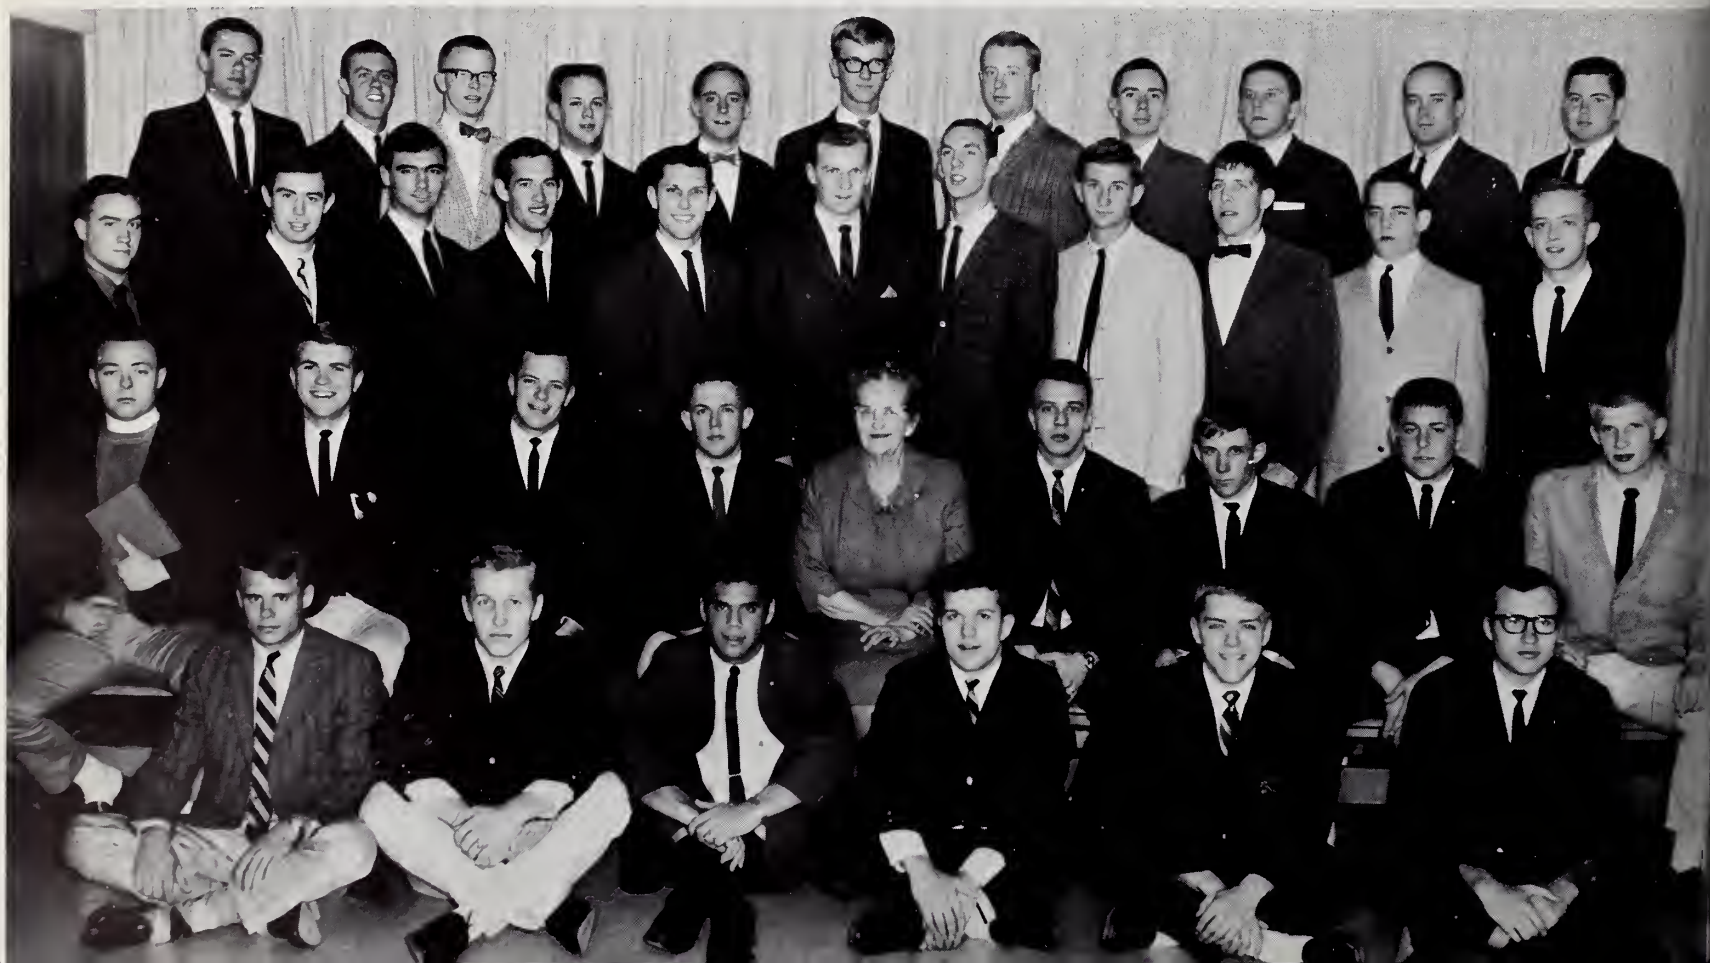

This year has been a roaring success, for the Chi Sigma Fijis. It has been a year of ups and downs for the house.

In the fall, the Fijis swept Greek Weekend except for the little red wagon race. Next the Homecoming decorations competition was a smashing success with the timely help of Dean Reid.

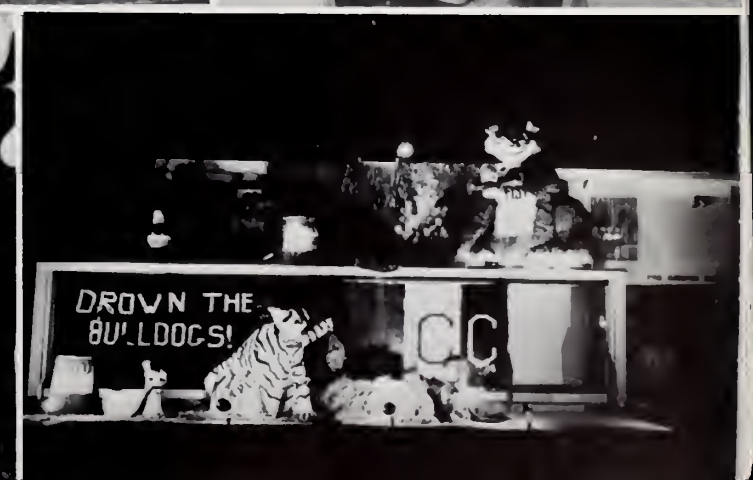

True to color, the fall social calendar was highlighted by the fancy Fall Formal, which was probably the finest dance on campus. Even truer to color was the Bowery Dance, celebrating the end of the football season. The

## Kappa Kappa Gamma

Our Genus is *Sorority*; our Species is *Kappa Kappa Gamma*, and our gender is *Feminine*. We are strange and unique creatures with equally strange and unique habits. For example, some of us are active in campus activities: Karen McIlvaine, Student Body Secretary; Crissy Moon and Diane Cox, ASCC Representatives. Jamie Adler, Donna Haraway, Judy Stampfli and Lisa Tabor attend Judicial Board and Barb Couey and Sharon Shackelford are on the Honor Council.

As far as athletic activities go, we are really strange! We are impeded by a physical disability . . . our feet and hands are not connected. We lost in volleyball to most everyone, but our coordinated cheerleader, Susie White proved a fortunate exception to the rule. Some members of our species have mysterious brain power and were elected to Phi Beta Kappa. They are Suky Arentz, Mary Bardone and Stephanie Row. This species even has a soft heart for it loves working at the Child Day Care Center. The language spoken is most unique. Generally consisting of inarticulate groans, but a few, Barb Couey and Charlotte Adams among others, sing most lyrically! As far as appearances go, we are in accordance with the norm of our Genus . . . we all have two arms, two legs, and one head: with a few regal exceptions; Sharon Shackelford, for example, is above norm and was therefore given the honor of being Homecoming Queen.

We dwell in a pink cave on Wood Avenue. There we socialize with other taxonomic groups, hold meetings, and stuff chicken wire with crepe paper to immortalize Lucy and Charlie Brown. And best of all, we love fun!! The FUN of all being the same species.

## Sigma Chi

The past year of 63-64 has been highlighted by academic improvement, the Edsen Trophy, the Friday Fowler Award, house refurbishing, and an excellent year in intramural sports. The house average of 2.61 put Sigma Chi in first place among fraternities and well above the all college and all men's average. The Edsen Trophy has decorated our living room well this year and we hope to retain it. Likewise we would like to see the Friday Fowler award for the best Sigma Chi Chapter in the Rocky Mountain Province on our mantle again next year. Thanks to our loyal alumnae organization Beta Gamma of Sigma Chi was able to procure a loan for house improvement. The house was redone to the smallest detail. We are proud to be the only completely independent Greek organization on this campus, owning our own house and land and running our own room and board programs.

With a second, in football, wins in golf and tennis, an excellent season in hockey and good showings in spring intramurals, Sigma Chi should come out on top. Sigma Chi had thirty men out for varsity sports this year. In prominent positions on campus were brothers Walt Hecox, member of Blue Key, head of Rastall Center Board, Phi Beta Kappa and dorm head; Bill Hybl, member of Blue Key and President of IFC; Jim Lucey, Secretary-Treasurer of the Sophomore Class; Bill Ward, Secretary-Treasurer of the Senior Class.

Twenty-seven new members were initiated during the year and after a successful rush an outstanding pledge class of twenty-five men was added making Sigma Chi the largest house on campus with well over 70 members. On the busy social calendar the Sigma Chi Watermelon Bust Festival was the fall highlight. Joan Millard, Kappa Kappa Gamma, was crowned Queen. The highlight of our spring activities was our ski weekend with dates at Arapahoe in March. Good weather, the Playboys from Denver with their rocking guitars and perfect snow conditions made it a weekend to remember. The Sweetheart Dance climaxed the spring social season in May.

Sigma Chi looks back on this past year with pride, but more towards the future with new enthusiasm and determination to do better. Sigma Chi is proud to be a member of the Colorado College Community and will continue to lead next year.

## Zetas

The Zetas maintained their service as a disorganization this year for the benefit of both its members and the entire campus. Although the Zetas lost heavily from last year's graduation and, due to the inactivity of the organization's hierarchy, were unable to obtain a large pledge class, the future still looks bright indeed. The new Zeta administration assures us that a new era is upon us. Extensive plans are being made to insure the continued success of the organization.

Sir Arthur Warwick, Canadian, presided as Prime Minister over the group as leader of the majority party. Ben Lyon, American, was Leader of the Opposition. Other high-ranking officials were Marvin Parliament, Governor-General; Dave Scrim, Chancellor of the Exchequer; and Wayne McAlpine, Lord Privy of the Seal. The success of this government has gone unchallenged.

Several Zetas went on an eastern tour during Christmas vacation in the interests of bettering Canadian-American relations. The itinerary included the study of R.O.T.C. facilities at Brown U., a tour of the dormitory system of Ohio U., and a very detailed observation of the gymnastic quarters at Colgate U. All felt the trip a tremen-

dous success, paving the way for a possible venture to the Orient next year for a similar comparative study. This certainly highlighted the year's activities.

The Zetas' wonderful housemother, Mom Madge Ryan, kept up our Rastall House so well that the warm atmosphere of our facilities was enjoyed by administration, faculty, and students alike. Our spacious dining room always had room for a few unexpected guests morning, noon and night. It was also the scene of the Inauguration Dinner of the College's new President, Lloyd E. Worner. Our games area was expanded to include an outdoor ice rink and an indoor swimming pool. Finally, high scholastic standards maintained by our organization are in evidence by our Phi Beta Kappas, David Bitters, Robert Heiny, Charles Gibson, Norman Liden, and Sir Arthur Warwick. Our overall average of 3.12 attests to our stress on keeping the grades up. Special mention for such work must go to our scholastic chairman, Marvin Parliament. Thus, another great year comes to a close. It is obvious that the future holds nothing but the same.

The Colorado College football team started its 1963 football season with the news that CC would withdraw from the Rocky Mountain Athletic Conference at the conclusion of this year's campaign. The Tigers opened against Hastings College on September 13 and found that this date brought no luck as the gun sounded a 9-0 defeat. CC opened at home in their first night game in two years against Nebraska Wesleyan and lost a tough 13 to 7 contest on a last minute touchdown pass. The Tiger eleven after ten consecutive games finally found the winning ways with a 27 to 7 win over Fort Lewis at Washburn Field as the "Flood Special" proved to be the key play. President Worner and several faculty members accompanied the team to Thousand Oakes, California to see the fighting Tigers extend their winning streak to two games with a 16-9 victory over the California Lutheran Kingsmen. Colorado College faced Colorado State College in their conference opener and were quickly handed a 32-14 loss. With

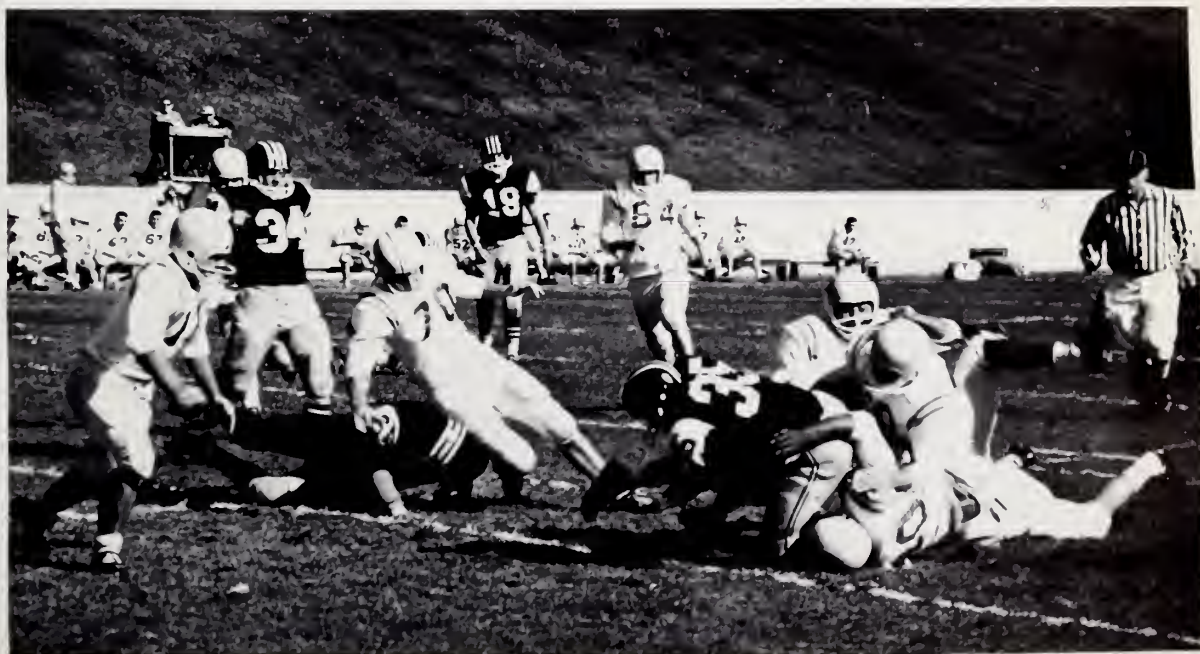

CC's record at 2-2 a Homecoming crowd of 3,000 filled the stands to cheer the Tigers to a 13 to 0 triumph over the Concordia Lutheran College's Bulldogs. CC displayed one of its finest team efforts of the season as the roaring Tigers pushed for two final period goals. The next two conference games proved to be easy games for their opponents as Western State ramblled for a 50-0 win and Adams State scalped CC 47 to 6 to bring the Tiger's overall record to 3 wins and 5 losses with CC being 0-3 in conference play. Colorado College jumped back on the winning track by defeating the Doane College Bengals 15-8 in their final home game. CC travel led to Mines in their final game and came out on the short end of a 36 to 15 score. This left CC with a 4-6 win-loss season record. The Tigers graduate only four seniors and will have several fine freshman players back in action next year so that CC fans can look for a brighter 1964 season.

The Colorado College soccer team opened their 1963 Conference schedule against Colorado Mines and lost a close 2-1 decision with Jon Hetzel scoring the goal for the Tigers. In the second game CC's soccer Tigers found themselves outmanned against the Air Force Academy as the team dropped a 4-1 contest with Abi Afonja firing in the only score. The Tigers playing Colorado State University were unable to capitalize on numerous scoring chances and lost a 7-2 soccer game. The game was played in constant rain which saw Chris Faison and Abi Afonja each kick in one for CC. In the Tigers fourth game the Colorado University booters played a cautious game of possession soccer, marked by short, accurate passing and shutout CC 3-0. The game was characterized by fine defensive play on the part of the Tigers. Colorado College completed its conference schedule with a fine 2 to 1 victory over Denver University with goals scored by Pete Davis and Tom Ballard. The Tigers compiled a 1-4 season record and gained the recognition of being a varsity sport which will add greatly to the Colorado College intercollegiate athletic program.

This year the Colorado College bowling team had its first big year in competitive bowling. Sponsored by Rastall Center and the Outings Committee, the team became a member of the Colorado-Wyoming Collegiate Bowling Conference this past fall. CC has done very well for its first year in "big-time" bowling. Under the fine leadership of its captain, Bill Pelz, the team has played both at home and on other campuses such as AFA, DU, and CU.

The 1963-1964 season was generally encouraging for new Colorado College hockey coach Bob Johnson. Johnson started the season with only five lettermen returning from last year's team and none of these were defensemen. The Tiger coach faced a complete rebuilding job this year. Sophomores helped to make Coach Johnson's task easier as Bob Otto, Dave Peterson, Steve Ebert and Glen Blumer played fine hockey to help strengthen the team.

Senior wings John Simus and Wayne McAlpine combined with the remarkable talents of goalie Art Warwick to give CC a 12-14-1 season record. Captain Simus was voted to the 1964 WCHA All-Star Team which was a fitting climax to his outstanding collegiate career.

Highlights of the season for the Tigers included the Brown Invitational Championship and the two victories

over the University of Minnesota which dropped the Gophers from atop the WCHA standings.

Next year Coach Johnson will have his fine sophomore crop returning as well as a nucleus of two-year veterans. Center icemen Warren Fordyce and Jeff Sauer will be returning along with forwards Bob Magie and Roger Simon and defensemen Ken Hanson and Dave Scrimm. Top notch freshman squad will also add to the line-up.

Coach Johnson remarked of the season, "We certainly can be proud of our performance this year. We were underdogs in almost every series and with the exception of the Michigan games at Ann Arbor we made every game close. We won all of the games we were supposed to and some that we weren't."

## Freshman Hockey

"The freshman hockey team has had an excellent season," said Coach Johnson. He feels that the improvement was remarkable, and may be attributed partially to the new ice rink where the team practiced two hours everyday.

The nine boys have a very good chance for making the varsity next year with the normal improvements. With six

good forwards coming up in Jim Amidon, John Genz, Mike Jugovich, Bob Lindberg, William Metzger and John Wells and defensemen in Dick Haugland and Dick Garvey there will be stiff competition for positions on the varsity in the future.

COLORADO COLLEGE LIBRARY  
COLORADO SPRINGS  
COLORADO

Coach Red Eastlack's Tiger basketball team posted three wins while losing nineteen games throughout the season. Two of the wins came by forfeit over Colorado State College when C State decided to sacrifice a share of the Rocky Mountain Conference championship by not playing the Tigers. The Cager's other win came at the expense of Western State College 74 to 72 mid-way through the campaign.

The team's starting five for most of the season was Captain Bob Heiny, Dave Herrington, Ed Loosli, Farrell Howell, and freshman Steve Schilder. Bob Heiny led the Tiger scoring with 257 points for a season average of 12.8 points per game. Heiny also grabbed 186 rebounds off the backboards to lead the Tigers in that department. Junior guard Dave Herrington was second in scoring with 201 points for an average of 10.0 points per game. In addition, Herrington led the team in field goal percentage by shooting at a 46% clip. Farrell Howell was third in scoring with an average of 6.7 points per game and second in rebounding with 90.

The Tigers lose four seniors from this year's squad, Bob Heiny, Farrell Howell, Bill Pelz and Steve Sabom. If Coach Eastlack can recruit some height to go with the three remaining starters and a fine group of freshmen, the hoopsters will have a much better season next year.

## Swimming

The Colorado College swimming team got off to a late start on practice this season as the new pool was not completed until late December. Coach Lear, who had to build and develop this year's team, made the Tigers into a well balanced swift swimming team at the close of the season.

The top swimming meet of the season was the Regis-Colorado Mines-CC meet with the Tigers win over Mines and tying Regis with a score of 56. The last meet of the season was the Conference meet held at Western State with the Tigers placing third in the Conference results. The

Freestyle Relay Team of Steve Wallman, Tad Davis, Steve Lyman and Sam Walker set a new conference record for this event with a time of 3:47.

Most of this year's team will return next season and the swimming team has a bright future to look forward to. The Tigers will lose Captain Matt Railey and Diver John Collins; but returning are top point winners in Sam Walker, John Railey and strong freshman and sophomore letter winners.

This was the big year of opportunity for the Colorado ski team since all their competition was at the Olympics. Through a team training program patterned on the "1964 Innsbruck Winter Games," Dr. Kramer drove the combined men's and women's teams into shape.

The late snow supply for the year did not hamper the individual members as they raced every weekend under the auspices of the Southern Rocky Mountain Ski Association. At least three people were able to move up a classification this year. The girls were especially successful. In the

SRMSA Class C Women's Giant Slalom, Jean Gillispie placed first and Nancy Giebink placed second; another SRMSA championship was won by Lynda Spickard in the Class A and B Downhill for Women in which she placed third.

The team raced as individuals in preparation for team competition in the near future. With a predominantly sophomore and junior membership, the results should be excellent again next year.

Panel: "The Implications of Wartime Scientific Activity."

Recess Time

Drs. Gamer and Seay: Music of the War.

Herbert Feis: "Japan's Two Fateful Decisions."

The students complained that college courses rarely reached World War II before semester's end. Consequently, the 1964 Symposium dealt with those historical happenings that affected our lives most. It is harder, as Spender said, for the "war baby" to enter the mood of this more recent decade than to understand the feelings of a remote historical period. Yet they tried to understand or thought they understood the Symposium participants: "the psychological attitudes of Bettelheim, the poetic sensitivities of Spender, the philosophy of Existentialist Hazel Barnes, the legal mind of Nuremberg judge, Telford Taylor, and even the reactions of the young German historian, Karl Bracher."

"I would guess the most lasting effect of the Symposium on the students would be their realization of the sheltered "artificial" character of their college life. Whatever else can be said about this week at college, it can hardly have passed as just another academic enterprise."

As the last pages of the NUGGET are being completed for another year, I think of the past yearbooks, rich in the history and events which have made Colorado College what it is today. Other annual staffs have had difficulties similar to ours, but the enjoyment the endeavor brings helps make this experience worthwhile.

This year's staff was composed of many capable people who helped achieve a balance of fact and fun, while hoping to maintain good literary standards. Eileen Wilson served as editor of the faculty section and devoted time to working on other sections of the book. As next year's editor she should produce another fine yearbook. Diane Eagon and Kris Conrad, "French" Clark, Judy "I think that's funny" Dykes, Bill Mrachek and Peter Booth were other haggarded, but happy section editors. Jim Welsh, the omnipresent photographer whenever he didn't have a test, made the pictorial section of the book possible, but Tom

Waugh also assisted ably. "Just plain" Dorsey was an excellent business manager and NUGGET Room Games Coordinator. The theme writer was Carolyn Creyke; cover design and art work were drawn by Power Boothe. Any index difficulties blame on Nancy Stauffer and type-a-long-list McIlvaine. The girls, often traveling between sections were: Sue McAllister, Penny Coughlin, Sue Allison, Karen Thompson, Debbie West, Ellen Price, Diane Weiden, Lauree Sails, Beth Fincke, a cast of many, and a for anyone sorrowfully forgotten by the editor. (This blank space is kindly borrowed from the previous editor without his permission).

As for myself, I am weary; but can't help but feel happy about the entire experience. The book will end in a few pages, but we of the 1964 staff hope it does not end without bringing back a few memories to all connected with this ever-changing institution, named Colorado College.
